Profile

To leverage my technical expertise and innovative problem-solving skills to develop cutting-edge software solutions that exceed customer expectations and drive business growth. By collaborating with cross-functional teams, I strive to deliver high-quality products in a timely manner while continuously learning and adapting to emerging technologies. My passion for coding and attention to detail ensure that my work meets the highest standards of performance and user experience.

Skills

Software: Experience coding in C, Python, SQLite3, HTML, CSS, and Django.

Leadership: Team management, collaboration with internal and external customers, recruitment, and accountability.

Media Technology: GrandMA2 & 3 Lighting Consoles and Software, Jands Vista Lighting Software, DMX Lighting Protocol, Audio Engineering, and AVL Production.

Computer Skills: Google Drive, Mac OS, Planning Center Suite, and Excel.

Experience

PRODUCTION DIRECTOR/STAFF PASTOR, CHRIST PLACE CHURCH: LINCOLN, NE - 2021-PRESENT

As a production director I implemented technology to enhance and accomplish organizational audio visual goals, and utilized emerging technologies to develop greater reach for our church. Implemented Midi network to sync production across several AVL technology platforms, and developed command line based programing procedures to reduce weekly labor needs for GRANDMA3 lighting programming.

STUDENT/ASSOCIATE PASTOR, THE ASSEMBLY: SILOAM SPRINGS, AR – 2016-2021

Grew Youth ministry through leadership development and implementation of continued education opportunities by establishing a partnership college campus with Southwestern Assemblies of God University. Increase of ministry budget by 35% through fundraiser optimization.

ENTREPRENEUR, CLEAR VIEW WINDOW CLEANING – 2015-2016

Founder and operator of a window cleaning business. My partner and I sold our book of business to a competitor as our lives transitioned to new directions.

PART-TIME SORT SUPERVISOR, UNITED PARCEL SERVICE – 2008-2014

During my time at UPS I managed all facets of the morning pre-load. I was also trained and oversaw Hazmat Package Handling, Powered Industrial Truck Certifications, inbound freight, and Union Employee Relations.
